West Allis Branch of Wauwatosa Savings Bank Now Open

The newest Wauwatosa Savings Bank full-service branch is now open in West Allis at 10101 W. Greenfield Avenue. This office, which opened to the public on March 19, offers an Internet Café, three lanes of convenient drive-up banking service with extended hours, full service banking inside and a 24-hour ATM.

Government officials, business neighbors and contractors joined the people of Wauwatosa Savings on Thursday, March 15, 2007, to conduct the official ribbon cutting for the new branch.

Wauwatosa Savings purchased this 27,500 square foot building in June 2006. The second floor of the building is the Mortgage Lending Center, which opened in October 2006. The Mortgage Lending Center centralizes and streamlines residential mortgage and consumer lending, offering a quicker response for customer satisfaction.

This full-service branch and lending center allows customers to experience a full range of deposit and lending accounts, including checking accounts for a variety of lifestyles, money market products, home equity and mortgage loans. This office also offers individual retirement accounts, savings accounts for children, certificates of deposit and business banking solutions.

All solutions to banking needs are now housed in one building with the West Allis location of Wauwatosa Savings Bank – “It’s all here for you!”

Wauwatosa Savings Bank was established in 1921. Branch offices are located in Wauwatosa, Franklin/Hales Corners, Germantown/Menomonee Falls, Oak Creek, Oconomowoc, Pewaukee, Waukesha, and West Allis. The bank reports assets of \$1.6 billion as of December 31, 2006.
