Local Organizations Benefit from Charitable Donations

Wauwatosa Savings Bank established the Wauwatosa Savings Bank Fund with the Waukesha County Community Foundation in 2002 in order to ensure the bank's ability to continually give back to the communities in which they serve. Each year the bank receives a large number and variety of charitable donation requests from nonprofit organizations in southeastern Wisconsin.

The Wauwatosa Savings Bank Fund has identified three target areas for its grants: education, children and community development. All received requests are reviewed, but special consideration is given to those requests that specifically benefit the three target areas.

The Wauwatosa Savings Bank Fund also makes grants with a special focus on those that will benefit all of the communities in which they do business. All municipalities in which Wauwatosa Savings has branch offices were directly impacted by grants made in 2007.

A few of the almost 200 organizations that received grants from Wauwatosa Savings this year are as follows: Betty Brinn Children's Museum, Child Development Center of St. Joseph, Franklin Education Foundation, Germantown Community Scholarship Fund, Oak Creek National Night Out, Oconomowoc Parks and Recreation Department, Positively Pewaukee, St. Francis Foundation, Task Force on Family Violence, United Community Center, Waukesha Education Foundation, Wauwatosa Economic Development Corporation, West Allis Charities, and Women for MACC.
