

## **Wauwatosa Savings Bank Introduces New Consumer Loan Product Line**

Wauwatosa Savings Bank continues to live up to its tagline of, “It’s all here for you,” with the addition of a new line of Consumer Loan Products. Wauwatosa Savings continues to strive to be a bank of choice for all deposit and lending needs, both individual and business. The expanded line of Consumer Loan Products includes unsecured and secured loans such as auto, boat, recreational vehicle, and motorcycle loans. The new products are competitive in the market and complement the bank’s existing line of Home Equity products, as well as several other recent upgrades and additions that the bank has made.

Less than six months ago, the addition of a Business Banking Department and a complete line of competitive business solutions was unveiled. From credit to depository needs, Wauwatosa Savings can now help with all financial aspects related to running a business.

Three new branches have opened within the last year in Franklin/Hales Corners, Germantown/Menomonee Falls, and West Allis. Extended drive-up hours from 7AM to 7PM, Internet Cafés in branch lobbies, and a network of 600 no-fee ATMs acknowledges consumers’ desire for quality and convenience.

“Each customer has different financial needs and the level of experience our Consumer Loan Representatives have to offer will greatly benefit customers. We’re very excited about the addition of these new Consumer Loans,” Todd Cruciani, Vice President.
