

Santa's Workshop with the YMCA of Greater Milwaukee

WaterStone Bank sponsored the YMCA of Greater Milwaukee's "Santa's Workshop" events at several local YMCA's in December 2012. Kids had the opportunity to meet Santa and build their own toy to take home! They could choose between a teddy bear, kaleidoscope and race car.

On Saturday December 8th, WaterStone Bank employees and their families were on hand at the Southwest YMCA to help the kids make their toy of choice.

In addition to supplying volunteers, employees also donated toys and coats for the event at the Northside YMCA.
