*See our website, wsbonline.com for more information on ATM Access Network.

**Fees for ATM usage at ATM's not owned by WaterStone Bank or not in the ATM Access Network are determined by the owner of the machine.

***The Expedited Debit Card Fee is charged for express delivery of a replacement Debit Card.

****The initial box of checks is provided at no charge. Subsequent check orders incur a fee, the amount of which is contingent upon the style of checks selected.

*Additional Third Party processing fees may apply.

**The returned wire amount that is deposited back to your account may be less than the original amount due to fees charged by the recipient bank and/or foreign taxes or foreign currency exchange if applicable.

***The Overdraft Protection Fee may be charged for automatic transfers of funds from an account you own to place funds into a different account which is overdrawn.

*Applies to checking accounts but see your account disclosure or contact a Personal Banker to determine if this fee applies. This Fee is charged when an account is inactive for more than 60 calendar days.

**Applies to accounts that are closed within 180 calendar days of account opening except for Certificate of Deposit accounts.

***Initial set up and subsequent updates.

****Applies to the new business customers who do not provide required verification within 10 business days of account opening.

*****This Negative Balance Fee will start when you are overdrawn more than five (5) consecutive Business Days and will be charged each Business Day you are overdrawn until you reach a total of \$40.00 in consecutive Negative Balance Fees. The term "Business Day" means any day other than a Saturday, Sunday, or federally declared legal holiday. If your account is no longer overdrawn for at least one (1) full Business Day the Negative Balance Fee will terminate but will be re-imposed if your account becomes overdrawn more than five (5) consecutive business days. Other fees charged can cause your account to be overdrawn and subject to NSF Return Item or Overdraft fee(s) in addition to a Negative Balance fee for having an overdrawn account.
